DONATE NOW

LifeClinic is a registered 501(c)(3) organization that is entirely supported on financial gifts from individuals, families, churches, businesses, civic organizations, and through grants. We do not receive any state or federal funding. Our work is dependent on men and women who recognize our mission as a valuable one, and we would not be here without them.

There are 5 main ways you can support LifeClinic: through prayer, financial gifts, monthly donations, donating material items, and volunteering your time. Learn more about what each of these mean and how you can partner with us to make our community stronger.

Events held to support

Baby Bottle Campaign – Fundraiser that St. John's will fill a baby bottle with coins, currency, or checks and return to Beth Smith to deliver to the clinic.

Give Local Midland - In the beginning of May, LifeClinic participates in Give Local Midland which brings communities and thousands of nonprofits together for 24 hours of giving. By making a donation on this day, your gift will go a long way in helping us. Your gift will be placed in our endowment fund held at the Midland Area Community Foundation, helping to ensure our long-term sustainability.

Galas – night of delicious food, inspirational speaking, fellowship and giving.
