The Community Care Ministry at St. John’s Lutheran Church is working with GATEWAY HEALTH CARE here in Midland that will be recognized as a Christ-centered healthcare provider achieving healthy living in mind, body, and spirit by providing the highest quality, affordable, and accessible healthcare to everyone in need. When a person visits GATEWAY they experience **DIGNITY** where they treat everyone they meet with love and respect, **HEALING** in recognizing that Jesus is the healer and they do their best to treat the whole person and **AFFORDABILITY** in providing the best possible care at the most affordable price.

This nonprofit medical practice which provides affordable primary care and urgent care are accepting new patients. They accept a variety of insurances as well as those individuals with limited insurance, and those who have no insurance at all and will work with patients to find cost effective options, which may include financial assistance. Most first-time visits are \$75; but if you qualify (number in household and annual income), your visit is no more than \$40 including labs and tests. Returning visits are generally less.
